- Conducting all courses in both English and Tamil with Hindi explanations if required.
- Supply tailor made notes for all courses. No off the shelf notes.
- Conduct two follow-up survey and audit of in-house training clients.
- Conduct recruitment and placement interviews on behalf of the clients.
- Support for implementation of quality enhancement / Academic excellence.

3. BENEFITS FROM OUR TRAININGS

Career Compass: Our Courses will help to find out where the students want to go and figure out how to get there. In the future, your students/clients can use our path to success as a personal compass for making decisions about the direction they want their careers to take.

- CREATE personal skills inventory
- RESEARCH career paths
- DISCOVER factors affecting career opportunities

Career Planning is about identifying what you're good at and how your skills, talents and interests translate into work and learning options that make sense for you, on your schedule. Find information and resources to help you make career decisions.

Our training methods can help you create a profile of who you are and what you want. Explore career ideas and develop a roadmap for your future

We do not believe that there is a - one size fits all change intervention, as each organization is unique. Therefore, our process is to work with our clients to implement systems and processes that meet their specific needs:

With these understandings, our trainings are designed, developed and delivered to:

- **Set expectations**
- **Create utility to participants**
- **Create interest**
- **Stimulate senses**
- **Establish positive transfer**
- **Provide immediate application**
- **Encourage participation**
- **Motivate for Action & Implementation**
